

ATTEND OUR COMPLIMENTARY WORKSHOP

Navigating the impact of divorce

If you're a woman going through divorce or its aftermath, attend our complimentary workshop to learn ways to overcome the unique life changes and financial challenges you may be experiencing.

As a financial advisor who holds the Certified Divorce Financial Analyst® designation, I will talk about how gaining control of your finances can help you take positive steps forward in many aspects of your life. My guest speaker will share other ways to reclaim your life and emotional well-being, including common pitfalls to avoid.

Your host
